

Kingdom Kids Missions Offering

From now through April, we will be collecting an offering for the country of Georgia. Several members of our church have traveled to Georgia and witnessed firsthand the incredible work God is doing there. Just like us, they are running out of space and are building a new church to reach more people.

Ms. Kaleh shared with the kids that when she and her brother were young (4 & 5), they collected pennies and loose change to help build water wells in Africa. When they got older, they found creative ways to raise money such as hosting bake sales to help send their parents on a mission trip to India.

The goal of sharing these stories was to help kids see that generosity is not just for adults. Children may not have jobs or regular income, but they can still be part of what God is doing. Sometimes generosity looks like giving from what they already have. Sometimes it looks like finding creative ways to earn money so they can bless others.

Most importantly, this offering is **not about the dollar amount**. God is not impressed by big numbers or large gifts. God cares about our hearts. Whether a child gives a handful of pennies, a few dollars earned through extra chores, or simply spends time praying for the people of Georgia, we want them to learn to listen to God and respond with generosity.

Just like the widow's offering (Mark 12:41–44), Jesus said she gave more than everyone else, not because she gave the most money, but because she gave from a heart of faith and obedience.

How Can My Child Participate?

We encouraged kids to take three simple steps:

1. **Pray** and ask God what He would have them do when they receive money.
2. **Talk with their parents** and seek wisdom before they do anything.
3. **Give joyfully** if they feel led to participate.

We encourage kids to think creatively! They may choose to save coins, do extra chores, host a lemonade stand, have a bake sale, help a neighbor, or come up with another way to earn money and give generously.

There is no required amount and no expectation that every child gives. Our goal is to help children learn generosity, stewardship, prayer, and obedience to God.

Offering Goal

As a group, Kingdom Kids is working toward a goal of **\$750** by April!

Along the way, we'll celebrate milestones together:

- \$50 — Popsicle Party
- \$100 — Leaders Gross Food Challenge
- \$200 — Silly String a Leader
- \$500 — Turn a Leader into a Human Sundae
- \$750 — Dunk Tank all the Leaders

While we have a fundraising goal, our greater goal is that **every child learns to pray, listen to God, and grow in generosity.**

Thank you for partnering with us as we teach the next generation that generosity isn't measured by how much we give, but by our willingness to trust God with what He has given us.
